

Greetings from the Front Line.

My Battle today is to keep my mind off my weakness.

Numbers 13:30 And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it.

Eighty percent of Ohio lost power because of the hurricane. My big trees are down and we have no power. I have other problems. I am 78 years old, weak, fallen twice, bandaged up, other work that needs to be done. The telephone was off for two days. I know there are others far worse off than I am. I will keep the faith.

I AM WELL ABLE TO TAKE THE LAND.

Caleb put that in me. I have a lot going for me. There is a God who is everywhere. There is enough of God around me at all times to take care of me as though I was the only one He had to take care of. And He is taking care of me this moment.

Faith is being able to walk through the "Valley of the Shadow" without fear. Faith says He is there. Peace is casting all your cares on Him knowing He cares for you. Faith is saying, God you are going to be up all night and I need some rest. You invited me to cast my cares on you. Here they are. Good-night.

I know there is an answer to all my problems because God has commissioned me to overcome them. I will do whatever I have to do to get them done. He will supply the answers as they are needed. In the meantime I will keep this good mind of mine working on Bible words of faith because I am well able to overcome. The words "well able" put inspiration and strength in me.

Today is a beautiful sun shining day, I need no electric. My Laptop was charged up yesterday at McDonalds when I used the Hot Spot so I am typing this on my Laptop. I will go back to a Hot Spot to send this out.

"The Apostolic Cutting Edge" is my ministry. I love it. I am always looking for new email addresses. It was the Apostolic Message that saved me and kept me saved, through all my temptations for 58 years. I want the world to know the message God gave Luke to record in our Bible. He is the only Gentile writer in our Big Book. God used Luke to confirm the message He left with the Apostles which became The Apostles Doctrine. Luke wrote The Book of Acts to Theophilus and all Gentiles. God confirmed through Luke, in the Book of Acts, that the Gentiles were in the promise He made to Abraham.

Again ~ The sun is shining and my wife I are happy. The trees are down, the electric has been off for three days and is still off, but I am in no pain so I am comfortable. I am inspired as I write this message to you. My Laptop is down to 59% so I must hurry. God Bless you where ever you are in the world. I am aware you have bigger problems than I do. You are well able to overcome.
