

## **Greetings,**

The world is daydreaming. They are not thinking about the right things. People are living in a wishful thinking world. It's not real. The world is asleep at the wheel. People have eyes but can't see. People have ears but can't hear. There is a voice crying out: Wake up. But their eyes cannot see the one crying out.

They have heard the message so many times that they are not interested. Their ears are dull of hearing. Their ears cannot hear Him. They cannot see or hear because He is speaking in the language of faith, a language unknown to them. This is a sovereign language spoken first by God and then by those who have heard Him.

To speak the sovereign language you must learn it. You must memorize scriptures. The language of faith is speaking God's Word of faith. You believe God did not lie and will perform His Word. You cannot speak the language of faith in unbelief. When you speak the Bible in unbelief you are simply speaking words in the English language. When you speak the Bible in the language of faith it is God talking. You are repeating His Word that cannot fail. You are speaking in a sovereign language with faith built into your every word.

### **Three Types of people in the world**

When a person is born again he becomes a new creation of God, a brand new species walking on earth. There are three different, distinct types of people in the world, the Jews, the Gentiles, and the born again believing Church. It is the born again believing Church to whom God has given the privilege of speaking His sovereign language.

When a person is born again he becomes a new creature in Christ Jesus. Old things have passed away and behold all things are become new. As a newborn child of God he will feed on the sincere milk of the Word. The Word teaches him his new language of faith. He will find a new living way to talk and communicate. This new language is the language of faith. It will become his mother tongue.

### **The Language of Faith is above all other languages**

The language of faith is from above and is above all other languages. It has the preeminence. It is sovereign. It is superior to all languages. It has the supreme authority over all and can be spoken in all the languages of the earth. But it must be learned. To learn the language of faith we must be born again and study the Bible. Faith cometh by hearing and hearing by the Word of God. The Bible is God speaking to us. Faith is speaking God's Word to the world. Faith is believing in the integrity of the Sovereign God of the universe. He cannot lie. He that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him.

The language of faith, like all languages, is a language that communicates pictures to the mind of the hearer of the words. They are pictures that can be believed. Remember, we think in pictures, we do not think in words.

My prayer is: "God show to me the language of faith in a greater way. Baptize me with the language of faith. Anoint me to speak the language of faith like you anoint me to speak with other tongues as the spirit gives the utterance. Let me say it spontaneously. Let me pray with it. Let me prophesy with it. Give me the gift of knowing when I am doing it and when I am not doing it."
