

Welcome!

Genesis 4:3 And in **process of time it came to pass**, that Cain brought of the fruit of the ground an offering unto the LORD.

The Apostolic Cutting Edge moves through the space called Time. It reaches each generation to alert those who will listen. It brings to each the words Jesus spoke in Luke Chapter 24.

45 Then opened he their understanding, that they might understand the scriptures,

46 And said unto them, Thus it is written, and thus it behoved Christ to suffer, and to rise from the dead the third day:

47 And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem.

48 And ye are witnesses of these things.

49 And, behold, I send the promise of my Father upon you: but tarry ye in the city of Jerusalem, until ye be endued with power from on high.

With these words Jesus released the Apostles to minister His Word to the entire world. Jews from every nation under heaven came to Jerusalem for the Feast of Pentecost. The church in every nation was started in Jerusalem on the Day of Pentecost. The church in Rome was started in Jerusalem. Jews from every nation under heaven returned home with Peter's message of Acts 2:38 to preach in their homeland.

### **Now it is your turn.**

God designed time to be space and space to be time. One cannot exist without the other. The portion of space you occupy depends on the time you live on earth. The product you should deliver is your reason for being here. The change you should effect is your purpose. Your offering to God is your goal. This determines your destiny. You are a child of God. Time will prove it. Live for God. Go for it. Be Quick. Go.

### **My desire is to quicken your mind.**

Time is a noun and a verb. It must first be a noun. There is an end to time as we know it.

Time, as a noun, has many definitions. One of them is a place. A place called time.

In a place called time, things of necessity, change. Time ends where eternity begins.

My time, as a noun, is personal. It is mine to do with as I see fit. Time can be wasted..

Time is appointed by God, is fixed, has a purpose, can be extended. I am the purpose.

Time, tide and eternity waits for no man, so, use your time wisely.

No man knows the end day nor the hour of his allotment of time. It is appointed by God.

A deadline in time is definite. Eternity is forever.
