

Do not confuse this with Almost Persuaded.

The Battle's almost over-We have almost won. "we're almost finished" ~ "the job is (just) about done"
This is a message from the Troops in battle. They know victory when they see it.

Old men dream dreams.

On Monday afternoon, 3:20 pm, August 17, 2009 I awoke from my nap. I had dreamed a dream. In my dream I heard the sound of a woman's beautiful voice singing. I saw a field from which troops had just advanced to **FINISH** the battle, leaving the field empty and only sound and the wind left behind. The troops had spoken to her ~. The troops could see the VICTORY AHEAD! She was singing the words the troops had spoken to her.

The "for certain" words I heard her singing to the sound of peaceful music were ~ ~
"THEY SAY THE BATTLE'S ALMOST OVER ~ WE HAVE ALMOST WON ~ ."
I was left weeping.

Memorize those words. They are from the Lord. Say them over and over and over. Then weep for joy with me. Praise Him as though your battle is already won. Thank Him for it. WE ARE ALMOST THERE.

She was singing ~ .

She was singing to the women and children left behind waiting for the return of their men.

She was singing to the old men who could not go into battle anymore.

She was singing to the forlorn and weary.

She was singing to those who had lost a loved one in battle.

SHE WAS SINGING ! SHE WAS SINGING THESE WORDS ~ .

"THEY SAY THE BATTLE'S ALMOST OVER ~ WE HAVE ALMOST WON ~ ."

I am still weeping with joy.

A child does not recognize the land marks. They will ask ~ are we home yet mother? She will say **Almost**, and that nearness will make the child happy. I am here today to give you a message direct from God. The battle is almost over. We have almost won. **We can confidently start singing**. Let the **nearness** of winning make your heart happy again. The joy of saying, "WE WON" is an eternal JOY!

Jesus ascended into heaven from the Mount of Olives. This time **we** are going to ascend out of it all. It will be worth it all when we see Jesus. It will be worth it all when we see Christ. One glimpse of His dear face, all sorrow will erase. So bravely run this race, till we see Christ. My father repeatedly said: "If I can just make the City!"

THEY SAY THE BATTLE'S ALMOST OVER ~ WE HAVE ALMOST WON ~.

THEY SAY ~ the men doing battle say ~ those who can see and know "victory and defeat" say ~ by the Spirit of the Living God they **SENSE** we are almost there.

1 Thessalonians 4:16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

18 Wherefore comfort one another with these words.
