

The Blood is in the Name of Jesus. Strive to instill the knowledge of the Blood into the heart and conscience of the people you contact daily. Talk to them about Jesus. **Do not withhold the Blood.**

My Calling is to exalt you to first inspire yourself and then other people. Inspire, animate, invigorate, enliven, exalt, heighten, intensify others to instill the Blood of Jesus into their conscience.

Proverbs 4:23 Keep thy heart with all diligence; for out of it are the issues of life.

In John 6:63 Jesus spoke these words: It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life. The spirit quickens. Be filled with the Spirit. Jesus wisely chose words to convey meaning. He added to His words of information the spirit of inspiration and the joy of life if you obeyed them. His words are more than ink on paper in your Bible. They come off the page into your mind and heart as Spirit and Life giving Words. You feel His anointing. You are inspired to become the person He is calling you to be. Recognize this and reading your Bible will exalt and intensify your experiences in life.

Before they can decide, based on your faith, they must hear you. Everyone does not hear His word. Some people have ears but cannot hear. You must first be sure you are speaking the language of faith because this is His message to them through you. You are telling them His message and you are doing it in your mother tongue which is the language of faith.

Two things are needed here. You must know the language of faith to communicate your faith and they must hear you in the language of faith. This is how people become believers in an unseen God. Having not seen yet they believe. This is faith in its purest form. He that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. Hebrews 11:6.

### **Reprogram their conscience**

When you communicate with the language of faith you are reprogramming the conscience of that person. Our conscience is our knowledge. God reprogrammed the knowledge of the Apostle Paul. His knowledge was all the Old Testament Law and Paul thought Jesus conflicted with all he had learned from his youth. His conscience told him Jesus was wrong. Jesus reprogrammed Paul's entire conscience by renewing his mind. He showed to Paul a new and living way that fulfilled all that Paul stood for. Paul then saw that Jesus did not make the Law void, but to his happy understanding Jesus fulfilled the Law, established the law. Jesus was everything the Law and the prophet had spoken about. He was the Jewish Messiah, whom they had looked for, yea even longed for, and now come in the flesh. His conscience was transformed by the renewing of his mind. Paul then became the apostle to the Gentiles and started to transform the conscience of the Gentiles. This is what we are doing with the language of faith. We are reprogramming the conscience of people. A renewed mind clears out false things that we previously believed and allows truth to be seen in its purest form. Always speak the language of faith and let God be true.

Remember I am writing to you about communicating your faith. Most problems in communications are in the hearing. If they don't see the picture they haven't heard. That's a problem in all. We do not hear. God speaks to us in our mother tongue, the language of faith, and we do not hear it in faith. We read our Bible in the English language but we just don't get it. We know faith cometh by hearing and hearing by the word of God but we still just don't get it. We understand the English language but that's not the language of faith. God adds something to every language on the face of the earth. When people read God's word in their native tongue the Holy Spirit is there confirming it as the word of God which cannot fail, cannot be broken, must come to pass, forever settled in heaven, making wise the simple.
