

A 5 Star General is the highest General.

There is a Five Star Hero in the Word and you can be one.

Christian heroes are trapped by love in a must win situation.
They learn to be instant out of Season. That makes them a Hero.
You must train for this by being loyal to the Word at all times.
A preacher hero gains it in the pulpit preaching the Word.
Saints are made Heroes in their everyday walk with God.
You are trapped by what you know in the circumstances you find yourself in.

Slow down – don't go so fast.

Listen – Hear me.

Hear what I see.

This is not enticing words.

It is love perfected.

A hero is love perfected.

He is trapped into perfection.

He just can't leave them in sin.

He is 5 ***** Star.

As a hero you persist with your knowledge of the truth.
Persistence is the key. Keep going.
Take the punishment.
Determine to be a blessing.
You must learn to be a hero.
The hero pays the price of love till death. (himself or the opponent)

This desire has gone into hiding.

Reason has diminished.

Few are willing to die for this.

Time is the price.

Love is the currency.

Jesus is in the Tabernacle Plan.

God used Luke to unlock Moses to us Gentiles thru the Priesthood.

Luke is an unsung hero of the Faith.

Luke is not celebrated. A Hero will celebrate Luke and Acts 2:38 wherever he is.

What are you sacrificing for?

This is what makes Heroes of the Faith.

To be a hero of the Word is our goal.

We listen, see and obey the picture in the Word.

The past Heroes of the Word were over comers who taught us to listen and persist.

Heroes are missing because of pride in both the minister and the saint.

Heroes are missing because there are few listeners.

We speak the Word for the pictures sake.

The picture is in the Word. Preach the Word. Be Instant out of Season.
