

Jeremiah said-This I recall to mind therefore have I hope. Lamentations 3:21.

The beauty and value of Bible knowledge is recall.

For instance, driving an automobile is all recall. The scriptures can be just as natural as driving an automobile. We can arrest our emotions with faith just as easy as putting on the brakes. We have dominion over our emotions because God spoke it into law. He gave us peace. If we will be grateful, God will give us the wants of our heart.

The disappointments in life are many. We all experience them. God subjected us to vanity that He might subject us to hope. There is a process we must go through to be like Jesus. This process makes us unashamed of being like Him. The process is built around our recall. When our pride is hurt our recall heals it. We are not ashamed of the Gospel of Christ. It is the power of God unto salvation.

Weeping may endure for a night but joy comes in the morning. A new day brings with it fresh new mercies from God. Yesterday is gone. Tomorrow has not arrived. I face only today with fresh new mercies from God. I am forgiven and free to face a new day without guilt. I accept this mercy from God and look forward to a successful new day in Him. Light is a recorder. It records and carries with it a trail of pictures of everywhere it has been. When we see a star that is four light years away we see what the star looked like four years ago. What it looks like at this moment we will not see until four years have gone by.

Memory is recorded light waves of what we have seen with our natural and spiritual eyes. Memory is light waves of truth that shine in our heart. When we hear truth our spiritual vision must be clear to see it. I treat the Word as a light shining out of darkness. The light of Jesus' words is just getting to me after about 2000 years of travel through the hearts of men.

If you want to bless God give Him the thing He wants. He wants to have one of His children, by faith, give him the opportunity to show Himself great on the earth. Give God this opportunity with your faith. He is going to and fro looking for it. When you take back your freedom in God you have learned, again, how to be content. And the end is not yet.

Recall keeps you on course. Create a daily list of mind boosters. I hear the clock telling me the time. I hear the calendar tell me today is the day. I hear Jesus telling me to not be weary. I hear the Bible telling me ~ No soldier pays his own way. God gives us the weapons. They are not carnal but mighty thru God to the pulling down of strongholds. We need to use the scriptures to target practice.

Jesus brought the New Testament to a successful conclusion. Luke 24:45 Then opened he their understanding, that they might understand the scriptures,

46 And said unto them, Thus it is written, and thus it behoved Christ to suffer, and to rise from the dead the third day:

47 And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem.

48 And ye are witnesses of these things.

49 And, behold, I send the promise of my Father upon you: but tarry ye in the city of Jerusalem, until ye be endued with power from on high.

50 And he led them out as far as to Bethany, and he lifted up his hands, and blessed them.

51 And it came to pass, while he blessed them, he was parted from them, and carried up into heaven.

These things I recall to mind therefore have I HOPE
